Financial Agreement & Acknowledgement

I understand that:

- Each UW Medicine entity, SOD, CUMG, and/or FHCC bill separately for their services.
- Patients who receive outpatient care at Harborview Medical Center and UW Medical Center will receive a combined bill for facility (covers equipment, supplies, non-clinical staff time and building costs) and professional charges (covers provider charges). Each of these bills may incur a co-payment or co-insurance responsibility, depending on my insurance coverage. The exact amount of the co-insurance or co-payment will depend upon the actual services provided and the coverage provisions of any insurance I have. Sometimes patients will pay more for certain outpatient services and procedures at hospital-based outpatient locations. The amount will depend on my insurance. I may review my insurance benefits or contact my insurer to learn what my policy will pay and what out-of-pocket expenses I may need to pay. At my request, clinic staff will provide me with an estimate of the billed charges for outpatient services I am likely to receive.
- UW Medicine requests and, if I provide it, will use my Social Security Number to facilitate access to any potential federal or state health care benefits, to verify my identity, or to facilitate discharge planning. Providing my Social Security Number is voluntary except when applying for state and federal health care benefits.
- My Consumer Credit Report information may be accessed for the following reasons: to make determination of available financial assistance, assistance in managing the payment process, or if I report that my identity has been stolen.

Statement to Permit Payment of Medicare or Insurance Benefits to Provider

I request payment of authorized Medicare or insurance benefits for any services furnished to me by UW Medicine, SOD, CUMG, and/or FHCC. I authorize any holder of medical and other information about me to release to Medicare [and its agents] or other insurance providers any information needed to determine these benefits for related services.
